F4 ANNIVERSARY EDITION HELMET

NO. 3106

TEN YEAR ANNIVERSARY

Help us celebrate our 10 years of creating superior technical riding gear with the F4 Anniversary Edition Helmet. Creating a level of comfort never felt before, the Klim F4 Helmet, with an unprecedented 41 air-craving intakes, is a new standard in helmet ventilation technology. It all starts with a design that more effectively channels air into the helmet where the EPS liner maximizes airflow over the entire head to dramatically cool the rider. Safety standards have been exceeded not only through the use of aerospace materials, but also in the design. The F4 exceeds Snell M2000, M2005 and U.S. DOT standards.

FEATURES:

- RAM AIR INDUCTION TECHNOLOGY
With 41 Air-Craving Intakes, the F4 Sets a New Standard in Ventilation Technology
- Non-Intrusive Eye Port Increases Field of Vision
- Ram Air-Induction Scoops not Only Mine Air as it Flows over the Helmet, but Help to Increase the Structural Integrity of the Helmet
- Pressure Chamber Network Liner Helps to Maximize Airflow over the Head
- High-Volume Air Channels Allow for more Air Capacity inside the Helmet
- Zonal Fiber Select Construction with Aerospace Fiberglass, Carbon Fiber and Kevlar™ Ensure a Safer Helmet

- Exceeds Snell M2000, M2005 and U.S. DOT Standards
- Moisture-Wicking Foam Liner and Liner Material
- Patent D583,102

INCLUDED:

- Removable Cold Weather Liner with Gore WINDSTOPPER® Technology
- Removeable Cheekpads
- Removeable Comfort Liner
- Breath Deflector
- Deluxe Nylon Carrying Bag
- Spare Visor and Visor Bolt

SIZES: M-3XL

COLORS:

REVOLT JERSEY NO. 3315

Essential to every good ride is having the right equipment. The Revolt Jersey fits that bill with its ability to wick moisture, keeping the rider dry and comfortable, and its rider specific patterning that allows the rider to move without any restriction or binding. The Revolt Jersey also features a silicone back patch that keeps it tucked in the pants, non-interfering seam construction for all-day comfort, and underarm mesh panels that allow unwanted heat to escape. Take the Revolt Jersey with you on your next ride and you will have the right equipment.

FEATURES:

- Padded Shoulders
- Cut-Away Sleeves
- Padded Elbows
- Breathable Moisture-Wicking Fabrics
- No-Fade Sublimated Graphics
- Silicone Back Patch
- Flex Neck Collar
- Non-Restrictive Cuffs
- Raglan Sleeve Design With Flat Stitching
- Drop Tail

FABRIC: 100% Micro Fiber Polyester

SIZES: S-3XL

COLORS: Black • Red • Blue • Yellow • Orange

RETAIL: \$39.99 USD

MOJAVE JERSEY NO. 3009

The Mojave Jersey has been designed from the first stitch to keep you comfortable. Seams are constructed to be non-abrasive and to optimize comfort. Ventilation panels have been placed over hot spots of the upper body to allow for maximum air circulation.

FEATURES:

- Padded Shoulders and Elbows
- Silicone Back Stripes to Keep Tucked In
- 2 Vent Maximizing Mesh Materials
- Moisture-Wicking Materials
- Comfort Mapped Ventilation
- Non-Interfering Seam Construction

TECHNICAL RIDING GEAR

SCHURING RACING
LAKE GENEVA, WISCONSIN

For aggressive riders who need the ultimate in weather protection and unsurpassed functionality, the Radium GORE-TEX® Boot offers this and more. Constructed with GORE-TEX® product technology, the rider's feet stay dry and allows sweat from the inside to escape. The Radium has been specifically engineered to take the abuse the tunnel and running boards dish out by adding additional protective material to the boot. With the help of a removable laced liner, it offers more rigid support than its brother, the Adrenaline Boot, but does not compromise when it comes to freedom of movement. The new Radium sole is specifically designed from the lug pattern to the durometer of rubber, to ensure total traction on the running boards even when they are full of snow.

RADIUM GTX BOOT No. 3212

FEATURES:

- GORE-TEX® Product Technology
- GUARANTEED TO KEEP YOU DRY®
- Rider-Specific Forward Flex with Rigid Side to Side Support
- Snowmobile-Specific Designed Sole with Exclusive Dual Durometer Rubber Provides Superior Traction on the Running Boards and in the Snow
- Encapsulated EVA Foam Mid-Sole and Stiff Lasting Board Stiffens the Sole, Helps Disperse Shock and Protects Bottom of the Feet
- Kicker Toe Abrasion Resistant Toe Piece Protects the Front of the Boot From Excess Abrasion
- Rubberized Spine and Heel Aids in Support, Controls Flex, Resists Abrasion and Helps Keep Snow Gaiter in Place
- Zonal Lacing Keeps Laces Tight while Lacing the Boot
- Hinged Tongue Makes for Easy Entry
- Outer Boot Made with Military Grade Leather

REMOVABLE LINER

- Slip Pad for Easier Entry
 - Non-Slip Patch Keeps Heel Locked in Place
 - Exo-Lacing System with Center Pull Technology Gives a More Secure Fit
 - Breathable
 - Padded Toe Box Helps Protect Toes
 - Leather-Covered Heel Works with Outer Boot to Prevent Liner from Slipping
- LINER: GORE-TEX® Product Technology

SIZES: Men's 6-14

ADRENALINE GTX BOOT

NO. 3108

Thinsulate™
INSULATION

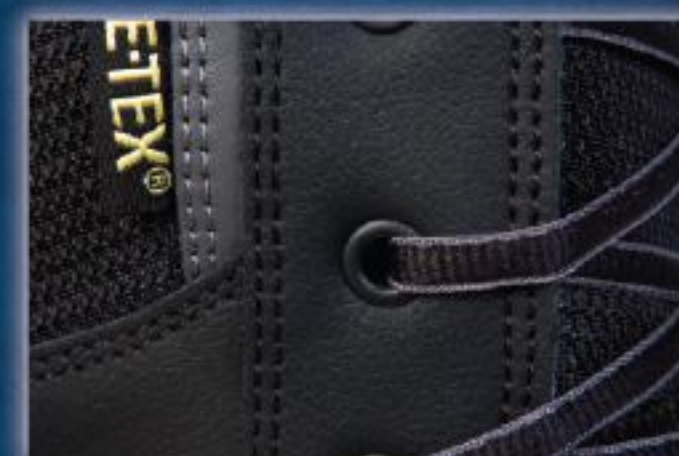

Powder, trail, snow or sun, the Adrenaline GTX® Boot is up to the challenge. This versatile boot incorporates breathable GORE-TEX® product technology to keep riders' feet warm and dry. This boot is the next generation of technical superiority, patterned after the original Adrenaline, which was the industry's first snowmobile specific GORE-TEX® boot. Non-bulky and insulated, this boot will stand with riders as they challenge anything that comes their way.

FEATURES:

- GORE-TEX® Product Technology
- GUARANTEED TO KEEP YOU DRY®
- Anchored Lace Loops for Cinch-Down Power
- New Offset Lacing System
- More Breathable than Previous Version
- Pu Mid-Sole Adds Cushion & Resists Packing Out
- Kicker Toe Piece Resists Wear from Tunnel Bolts
- Stiff Durable Board to Help Disperse Shock & Protect Bottom of Foot
- 600 Gram Thinsulate™ Insulation Increases Warmth Without Unneeded Bulk
- Internal Eva Foam to Cushion Top & Tips Of Toes
- Multi-Layer Substructure Constructed From Perforated Materials Increases Overall Breathability
- Moisture-Wicking Liner Materials
- Ankle Cutout Promotes Forward Flex
- High Quality, Flat Anti-Slip, Moisture Resistant Laces
- Removable Moisture-Wicking Insole
- Extremely Durable High-Grip Outsole

BOOT - MEASUREMENTS 5 - 14 based on mens sizing

MEN'S	5	6	7	8	9	10	11	12	13	14
WOMEN'S	7	8	9	10	11	12	13	14	15	16

Note: For all measuring use a flexible measuring tape.

How to Measure:
To select glove size; measure around your dominate palm at the widest point.

5" - 7"	XS
7" - 8"	S
8" - 9"	M
9" - 10"	L
10" - 11"	XL
11" - 12"	2XL
12" - 13"	3XL

Head:
Measure circumference of head just above top of ears, and 1" above eyebrows.

Chest:
Measure under arms around the fullest part of the chest. Be sure to keep tape level across back and comfortably loose.

Waist:
Measure around natural waist with a loose tape.

Inseam:
Without shoes; measure on inside of leg, from crotch to the floor.

Hip / Seat:
Place the measuring tape around the body at the fullest part of the lower hip, feet together.

Sleeve:
With your arm fully extended, measure from the center back of neck at spine to the wrist bone.

TECHNICAL RIDING GEAR

TEN YEAR ANNIVERSARY

WARRANTY

We warrant *every product we make to be free of manufacturer defects for the **lifetime of the product. Additionally, all KLIM GORE-TEX® products are GUARANTEED TO KEEP YOU DRY® for the **lifetime of the product. Should you have a warranty issue, call us for a case number. We will repair it if possible or replace all valid warranty items. Please have all warranty item claims clean for evaluation or it will be sent back to you as is without an inspection being made. This warranty does not cover damage caused by accident, improper care, negligence, normal wear and tear, modifications, alterations, or use for a purpose other than which it was designed. If this product fails due to a manufacturing or material defect, we will repair the product without charge, or replace it at our discretion. This warranty is not transferable. Product must be registered with Klim to receive warranty coverage.

* KLIM BOOTS are warranted against defects in materials and workmanship for one (1) year from the date of purchase. Aggressive running boards will accelerate the wear and tear on the soles of the boots. This is considered normal wear and tear. General warranty terms apply.

* The KLIM F4 HELMET is warranted against defects in materials and workmanship for five (5) years from the date of purchase. General warranty terms apply.

** The lifetime of a product unfortunately does not mean your lifetime. The intensity under which the product is used determines this factor. Rips, tears, cuts, punctures and burns will void the lifetime warranty of the product even if the warranty issue is not related to these damages.
